About us

Moin Engineering, established in April 1995, and since then we have executed more than hundreds of projects. We specialized in the Erection and Installation of Power House Ventilation System, Fire Sprinklers/ Fire Hydrants System etc.

We have a dedicated team with expertise in all major fields such as Electrical, Mechanical / Sheet Metal Works and have successfully completed various projects to the entire satisfaction of our honorable clients, in all over the country. So, with over 15 years of experience and performance integrity, we can provide a complete arrange of managed facility services.

Now, Syed Zakir Jamal, who after graduating in mechanical engineering from University of Engineering & Tech, Lahore in 1992 and gaining diversified and valuable experience in different mechanical fields, has also joined hands with us.

Our Mission

Our mission is to enhance and deliver level of excellence for quality work within the limited time frame in a safe and satisfactory environment. We encourage creativity and innovation to achieve high quality results of international standards. So, if you want expert guidance, leading-edge technical expertise and high skilled professional service, ask Moin Engineering, what we can do for you.

Our Policy

Policy performs a vital role in every field. Our policy covers all aspects, upto entire satisfaction of our clients. We always emphasis on following:

- Immediate and ontime response to valuable clients.
- Entire satisfaction of valuable clients.
- All jobs/ projects completed within stipulated time frame.
- Maintain quality of works and services.
- Safety first.
- Discipline.

Safety Policy

Moin Engineering is a safety and QA/QC conscious company and always emphasis on following:

- Safety first
- Achieve zero tolerance
- Deliver the goods in time
- Proper work out fits and safety equipments such as hard hats cover-all, gloves, safety glasses and foot wears are provided to the workers.

Our Services

Providing under one roof solution for HVAC, Fire Fighting & Plumbing System Designing & Installation on turnkey

The Heating, Ventilating and Air Conditioning (HVAC) equipment perform heating and/ or cooling for large Commercial and Industrial Buildings. The system provides fresh outdoor air to dilute interior airborne contaminants. A properly designed system, fabricated, installed and performance tested is a job well done.

Our Services Includes:

- Installation of Air Cooled Chillers (Complete in all respect)
- Installation of Water Cooled Chillers (Complete in all respect)
- Installation of Direct Fire Chillers (Complete in all respect)
- Supply & Installation of VRF Sytem (Complete in all respect)
- Supply & Installation of Air Handling Units (AHUs)
- Supply & Installation of Fan Coil Units (FCUs)
- Supply & Installation of Mini Spilit Air Conditioner Units
- All kind of Ducting (Complete Fabrication & Installation)
- Piping (Process Piping, CHW Piping, Hot Water Piping)
- Supply & Installation of Fire Sprinkler & Suppression System
- Supply & Installation of Sewerage & Waste Water System
- Supply & Tanks, Chillers and Pressure Vessels
- Cladding of Pipe, Duct and Equipment
- Installation of Powerhouse Ventilation System
- Ventilation System
- (All kind of Fans, Air Filters, Dust Collector, Rain Louvers, Volume Control Dampers)
- Generator & Chiller Installation Expert

Moin Engineering has the required expertise, and the experience backed by a team of professionals, that follow the mechanical codes to ensure proper piping, ducts according to design specifications using the necessary procedures.

Our Products

It includes:

Canopies
High Speed Fans (Axial/ Centrifugal)
Volume Control Dampers
Rain Louvers
Filters/ Frames
Air Grills
Cable Ducts (Cable Tray)
Sound Attenuator
All kind of Tanks/ Pressure Vessels (Fabrication & Installation)

And many more, etc.....

Our Supplies

We offer full range of insulating materials and insulation system abrasive and Coating Materials and Refractory. We have an acute capability of obtaining materials that meet specific technical and fiscal requirement of project and plant. The material selection are made by stringent scrutiny and careful technical and commercial evaluation. The company products, out sources, procures, imports and stocks variety of insulating and refractory materials with complete paraphernalia.

Insulating Materials Include:

- Rockwool
- Glasswool
- Rigid Polyurethane, Polyisocyanurate & Phenolic Foam
- Foam Glass
- High Temperature Fabrics
- Pre-Fabricated Insulation Pipe
- Fiber Glass
- Industrial Items as required...

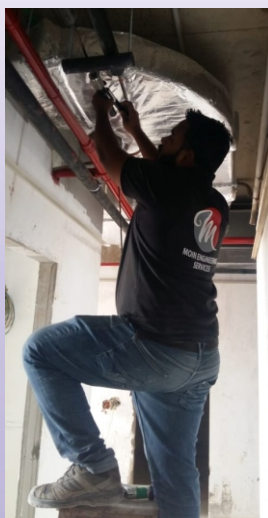

Our Management & Manpower

Our Human Resources Management Department comprises of experienced Managers, Engineers and other Technical Supervisory Staff to oversee, monitor and inspect the performance and the out put of the workers, both in terms of quality and quantity.

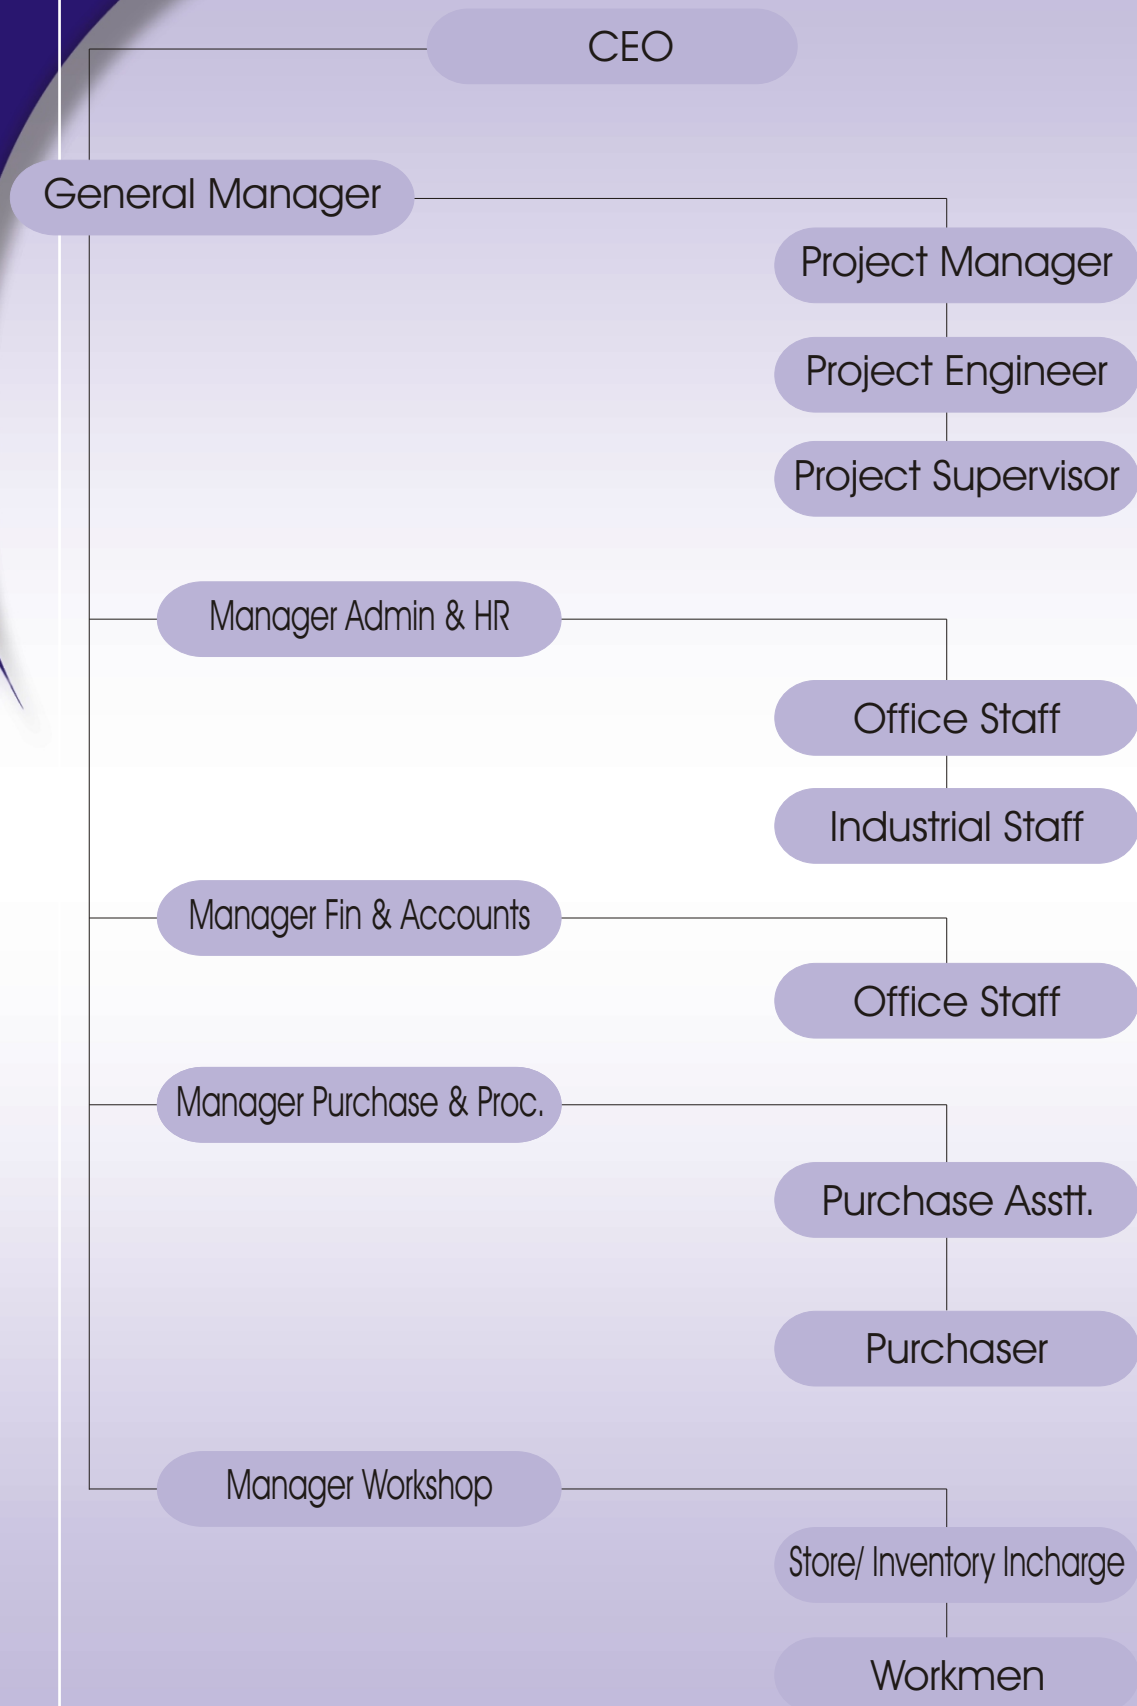

We are one of the best and most responsible manpower management and supplying companies in the country. All kinds and any number of skilled, semi-skilled & unskilled labors could be made available in very short time, which meets your most exact expectations.

A teamwork approach with qualified, skilled and experienced manpower backed by proper quality management system has enabled our company to be leader in our area of work. We promise to maintain this leadership.

Names & Qualification

Experience

✍ Moinuddin Ansari (CEO)	25 Years Experience
✍ Dawar Ahmed Khan B.Tech.(Hons.) Mech. General Manager	✍ 16 Years Experience in Pakistan ✍ 02 Years Abroad ✍
✍ Syed Zakir Jamal B.E.(Mechanical) Chief Engineer	✍ 23 Years Experience
✍ Muhammad Tariq B.Tech (Hons) Mechanical (Designing Engineer)	21 Years Experience
✍ Muhammad Rehan B.E.(Mechanical) Project Manager	08 Years Experience
✍ Muhammad Kamran B.E.(Electrical) Electrical Engineer	12 Years Experience
✍ Usman Ghani B.E.(Mechanical) Project Engineer	02 Years Experience
✍ Ahmer Hameed M.B.A.(Logistics & Supply Chain) Office & Procurement Head	13 Years Experience
✍ Najamul Hassan Legal Advisor	26 Years Experience
✍ Ali Raza Zaidi B.Tech (Hons)	06 Years Experience

Our Workshop

Moin Engineering Services has their own Workshop/ Warehouse facilities and owned by the Company where major Storage Tanks, Canopy for Generators, Louvers/ Volume Control Dampers, Air Filters are to be fabricated. Repair and Maintenance of the Heavy Industrial Fans are to be also done.

This Workshop is also equipped with Fabrication Shops capable of manufacturing composite products, not only those required for our own projects but also for sale in the open market. We ensure increased job site productivity and on-time project delivery.

Some Projects (In a Glance)

S.No.	Project	Description
01.	Karadeniz Powership (03 Rental Power Ships)	✍ Insulation & Cladding Work. ✍ Repairing Work at AC Plant Room.
02.	KESC Power House (90 MW) KGTPS.	✍ Complete Air Intake and Air Exhaust Ducting System. ✍ Insulation and Cladding Work.
03.	KESC Power House (90 MW) SGTPS.	✍ Complete Air Intake and Air Exhaust Ducting System. ✍ Wall Covering work at exhaust pipe. ✍ Insulation and Cladding Work.
04.	UCH Power (586 MW) Dera Murad Jamali	✍ Installation of Fire Sprinkler & Fire Hydrant System ✍ Fire Detection System Installation .
05.	Gul Ahmed Textile Mills (Unit-IV)	✍ Air Ventilation System for Waukesha Gensets (10 Units)
06.	Pakistan Security Papers Printing Press	✍ Air Intake Ducting. ✍ Insulation and Cladding at Absorption Chillers.
07.	Siddique Sons Ltd	✍ Installation of CHW System ✍ Complete Mechanical Installation ✍ HVAC Works
08.	Orient Energy Systems	✍ Air Intake Duct at Standard Board KIA. ✍ Mechanical Installation of Absorption Chiller work at Saima Packaging.
09.	Omni Power (Pvt.) Ltd. (OPPL)	✍ HVAC Works including Ducting ✍ Insulation and Cladding at Engine Exhaust Pipes.
10.	Zaman Textile Mills Ltd. (Weaving Unit)	✍ Absorption Chiller insulation work.
11.	Artistic Denim Mills Ltd. (ADM)	✍ HVAC / Ducting work. ✍ Insulation & Cladding Work.
12.	Standard Chartered (Warehouse) S.I.T.E.	✍ Installation of Fire Sprinkler & Fire Hydrant System
13.	Dawlance + URIL Karachi + Hyderabad	✍ HVAC / Ducting/ Mechanical Work.s (So many Projects)
14.	Clariant Pakistan Ltd.	✍ Installation of VRF System (Complete Job)
15.	SUPARCO	✍ Mechanical Work for CHW System ✍ Electrical, Mechanical & Civil works
16.	DWP (Iqra University)	✍ HVAC / Ducting work. ✍ Insulation & Cladding Work.
17.	Lucky Cement (6MW Steam Turbine)	✍ Insulation at all Steam Boilers
18.	P&G (Bin Qasim)	✍ Mechanical Project ✍ Installation of Fire Sprinkler & Hydrant ✍ Complete Suppression System
19	M/s.Habib University	Mechanical Installation for CHW System

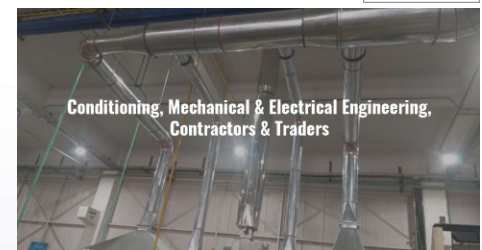

Recently Done Projects (in a Glance)

<u>S.No.</u>	<u>Project Names</u>	<u>Description</u>
01.	Shaheen Air Line Head Office (At Karachi Air Port)	Fire Fighting System VRF Sytem (400 USRT) HVAC (Complete Air Intake and Air Exhaust Ducting System)
02.	BRR Tower (Near Jang Press) Karachi .	VRF Sytem Complete Air Intake and Air Exhaust Ducting System. Insulation and Cladding Work.
03.	Clariant Pakistan Ltd. Karachi	VRF Sytem
04.	AUDI Showroom (Near PC Hotel) Karachi.	VRF Sytem
05.	Stillman DHA, Karachi	VRF Sytem
06.	REJEB TAYYEB ARDOWAN HOSPITAL (RTEH) MUZAFFARGARH	SOUND ATTENUATION SYSTEM
07.	PAKISTAN KIDNEY & LIVER INSTITUTE HOSPITAL (PKLI) LAHORE	SOUND ATTENUATION SYSTEM
08.	BAHRIA TOWN (THEAME PARK)	SOUND ATTENUATION SYSTEM AT POWER HOUSE
09.	Suleman Residence KHI	VRF System
10.	Hanif Residence KHI	VRF System
11.	Vazeer Opticals KHI	VRF System
12.	Roop Yaseen Residence	VRF System
13.	Telenore (Hyderabad)	VRF System (40 USRT)
14.	Artistic V-M	VRF System (72 USRT)
15.	PNS SHIFA	HVAC Works
16.	MASTER MOTORS LTD	VRF SYSTEM

In Hand Projects (in a Glance)

<u>S.No.</u>	<u>Project Names</u>	<u>Description</u>
01.	Hoshang Pear Tower Project of: Bahria Town Client: PARAGON	- VRF System - HVAC Ducting Work (Complete in all respect)
02.	CHANGAN Client: Master Motors Ltd	- VRF System - HVAC Ducting Work (Complete in all respect)
03.	DPL (PLANT) Client: Dawlance (Pvt) Ltd.	- Fresh & Exhaust Air System. - Insulation and Cladding Work.
04.	Pak Synthetic Ltd. (PSL) HUB, Balochistan.	Ventilation System for Power House

PSL at Hub, Balochistan

Recent Projects

We have also been successfully completed over hundreds of projects, at different areas/ sites of Punjab and Sindh, especially in Karachi.
